Dear Mario,

Yes, we're back to wind, rain and definitely no 32 degrees! We really wanted to turn straight round and come back again!

Re the tennis, we had a wonderful evening. The venue is excellent, the event guaged just at the right level between serious tennis and exhibition, and the facilities provided ie. seats, complimentary drinks etc also excellent. I think the shuttle bus to and from Vale do Lobo works extremely well.

I suppose the only slightly negative comment I would make is that the last (exhibition) match is played rather late (11.45pm) for a weekday. However, I assume that this is due to squeezing in as much tennis as possible in one evening!

We really enjoyed ourselves and would love to be asked again in the future!!

Love to Sofia and yourself.

Gill and Julian McKinney
